Call for Presentations

Wisconsin Association for Floodplain, Stormwater, & Coastal Management

We invite you to join a broad range of professionals in Wisconsin to address the many challenges and issues associated with floodplains, stormwater, coastal waters, and disaster resiliency. Concurrent sessions, plenary sessions, networking events, and a comprehensive exposition of products and services provide an exciting forum for exchange of ideas and information. We are seeking presentations showcasing the following topics:

- > Stormwater Management
- > Floodplain Management
- > Ecosystem Services
- > Community Outreach, Education, and Engagement
- > Disaster Resiliency
- > TMDL/MS4 Planning and Compliance

- > Local Projects and Initiatives
- > Coastal Management
- > Wetlands
- > Innovations in Engineering
- > Laws and Regulations
- > Sustainability Practices

Abstract Submittal Process

Anyone wishing to present must submit an abstract describing the proposed presentation **by June 19, 2020**. Please limit abstracts to 200 words or less. The abstract and bio(s) can be text within an email, Word file, or the attached PDF. Alternatively, you can submit your abstract at the following link: **https://forms.gle/TCyrcWGbwembGNGKA**

Authors selected as presenters will need to be paid registrants attending the conference. Presentations are generally 20 to 25 minutes in length with time for questions afterwards for a total of 30 minutes. Longer or interactive presentations may be considered if conference schedule and format allows. Abstracts will be selected for fit among concurrent sessions to be presented on **Thursday, October 22nd, 2020.**

Deadlines

June 19, 2020 – Abstract submittals are due.
July 3, 2020 – Authors will be notified of acceptance in the program.

Abstracts submitted after the June 19th deadline may be included in the conference only if there is space available.

Speakers

Speakers who are chosen to present concurrent sessions are responsible for their own registration and lodging costs.
