

## *Show Your Support for WAFSCM!*

**Become a Sponsor and/or Exhibitor at the Annual WAFSCM Conference!!**

*By Heather Schwar, Conference Sponsor and Exhibitor Coordinator*

Sponsors and Exhibitors are a very important part of the Conference experience. Not only do they help WAFSCM provide a quality conference at a very reasonable cost, but they also bring their knowledge of current events, new products, and construction methods (along with free handouts like pens and notepads!).

### **How can you become a sponsor or exhibitor?**

To date, our fall conference information has been sent to our previous Sponsors and Exhibitors as well as potential new Sponsors and Exhibitors. The information was sent via email to one contact person at each company. If that person was not you, but you think your company would like to sponsor the conference or would like to be an exhibitor, we would love to have you join us.
